Director's Notes-

Looks like old man winter has finally given way to Spring 2023. We have warm weather at last, rainy but warm. Here in Mountain Home Arkansas, we have had a couple of good riding days and we have taken advantage of them, hope your weather has been good so you can get the ol' motorcycles out and about.

It's that time when motorcyclists are getting back on the road, which makes this perhaps their most dangerous time of the year. After a winter of driving with four wheels, they've forgotten some of the basics of riding and their skills could use a refresher. The first thing you should do is go to a parking lot and practice, before you go out on any long rides. This is because "like any sport", the more you practice, the better you're going to get.

This applies to everyone who rides a motorcycle, because no matter what your skill level is, or what you perceive it to be, you haven't been on your bike in a number of months. Everybody always has something to learn.

It is also more challenging to ride a motorcycle safely in the spring because the roads are strewn with sand and dirt left over from the winter's rains and snow. The sand tends to get pushed into the road's corners

SW Louisiana Retreads®

Mar-Apr

SWLA has had several rides in March and the beginning of April. Spending time together and enjoying the wind therapy.

April 6 we had our final meeting before our rally. There were 6 in attendance, not bad for a rain storm catching us. The rally is coming together. We are looking forward to April 26.

April 12 our Retread friendship ride consisted of 3. We took a windy trip over to Lumberton, Texas and ate at Tijuana Fish Restaurant.

North Arkansas Retreads®

North Arkansas Retreads

Mar - Apr

We had a good turnout for the March meeting. We had 18 member attend and in April we had 16 members attend.

We did decided to try to put together a "weekend" Rendezvous Ride (similar to the one we did last fall in Russellville). It will not be a rally but Retreads getting together to ride in the Ozarks. We have 3 rides scheduled – one each day.(Jun 8 – 10th).

Hopefully, we will see many of our Retread friends from all over come join us some beautiful rides. Flyer with more information is on page 6 of this newsletter and is posted on our website... gatewayregionalretreads.com.
